

KENTON PARK ESTATE

“WINE BY DESIGN” INSPIRED INTERIOR DESIGN AT KENTON PARK ESTATE

One Day Interior Design Course with a Difference ...

Join us first of all in The Winery Building that sits in the heart of Kenton Park Wine Estate. Let's get together over Breakfast. We can showcase the special 3-D wallpapers used in the Wine Bar and the unique paint effects we used to transform the old disused Fermentation Tanks Room. We will give a practical demonstration on how the paint effects have been created and how you can achieve them in your own projects.

We have accessorised the interiors with an eclectic collection of pieces to create the finished look with large Mirrors, Lighting effects, large Willow sculptures, individual pieces of furniture to set the theme.

We can take a break and enjoy our specialty Wine-infused Coffee or we can pimp up your Latte with a shot of Kalula served in the Motley Cru Coffee Bar from our state of the art coffee espresso machine and of course some naughty nibbles freshly baked by the Vineyard Kitchen Team.

Let's wander on down to the Main House (Kenton Park) a Grade II Listed property and we will explore the different paint effects and colour schemes used throughout and discuss any challenges that you are taking on board with your own interior project. We will share some Mood Boards with you and provide some great reference materials.

Lunch will be served in our Lifestyle Barn where we like to create a special themed Dining experience depending on the time of the Year. We like to create inspirational Table design themes.

Over a delicious 2-Course lunch served with our Sparkling Wines we will share information on tried and trusted suppliers to help you implement your interior design projects. It will be a very lively lunch with lots of discussion.

You are welcome to wander into the Vineyard afterwards for a quick break and feel energised by walking up and down our Vine Rows (or have a quick Tour of all of the Plantations so that you can absorb the stunning views with Ben our Estate Manager who will whizz you around in our Vineyard Shuttle Bus - an Off Road Polaris.

An afternoon Workshop will then take place on how to make wonderful fragranced Candles to create a unique scent for your home. Everyone can take home their own fabulous Candle as a momento of their day. Goody Bag provided to take away with Address Book of useful contacts.

Guests to allow a little extra time at the end of the day to enjoy a quick Wine Tasting session.

Price: £165.00 per person
